

Press release

12 April 2024, Neuss

Creditreform Rating AG (CRA) has reviewed and updated its rating methodologies for:

- Bank Ratings, Version 3.3
- Rating of Bank Capital and Unsecured Debt Instruments, Version 2.2
- ESG Sub-Methodology Bank Ratings Version 1.1

These revisions mainly consist of editorial adjustments and clarifications, representing non-material changes and do not affect current ratings. The updated methodologies will be effective and applied by CRA starting 12 April, 2024.
